

NextUp

A product pitch by Diego Ferreira

The Problem

There isn't a perfect all in one place to:

- Organize homework
- Upcoming quizzes and exams
- Upcoming school events
- Organize plans and schedule
- Access school material quickly
- Organize thoughts, notes, reminders, and ideas

My Solution

My idea is to provide that!

- Highly customizable, simple , accessible way to know what's next
- Everything in one place
- Connects to your school
- Allows easy access to materials (eg. textbooks)

Website Type

- Productivity/Task management
- This is the best format because my target audience all easily have access to a laptop and the internet

Software Development Process

What software development process will I use?

- Scrum
- Best for gathering user input and adapting
- Very important in something like this

Target Audience

Name	John	Jane
Gender	Male	Female
Age	24	19
Location	Providence, RI	San Francisco, CA
Occupation	Student/Busser	Student
Income	\$19/hr	\$0/hr
Reasons	Love the simplicity and convenience; for work and school	Loves the customizability and simplicity; for school and clubs
